We want learners to go through the slides in the introduction sections and go through the links in the resource sections and then answer the below questions. The answers are included but learners are encouraged to answer the questions before they look through the answers.

### **Question 1**

Each item is either a primary or secondary source. Highlight/Circle the item that is primary and secondary source?

Items: diary, audio recording of Grandma talking about her life, history textbook, student report card

### **Question 2**

Is a birth certificate a primary or secondary source?

### **Question 3**

Click on the object which is not a primary source?

### **Question 4**

Choose three of the following that are most likely to have primary source documents?

Archives, theatre, reference library, internet, museum

### **Question 5**

A primary source is an original document or account that has survived from the past. True or False?

### **Correct answers:**

#### **Question 1**

Primary Sources: Audio recording, Diary, student report card

Secondary Source: History textbook

#### **Question 2**

A birth certificate is a primary source.

**Question 3**

A history textbook is not a primary source, it is a secondary source.

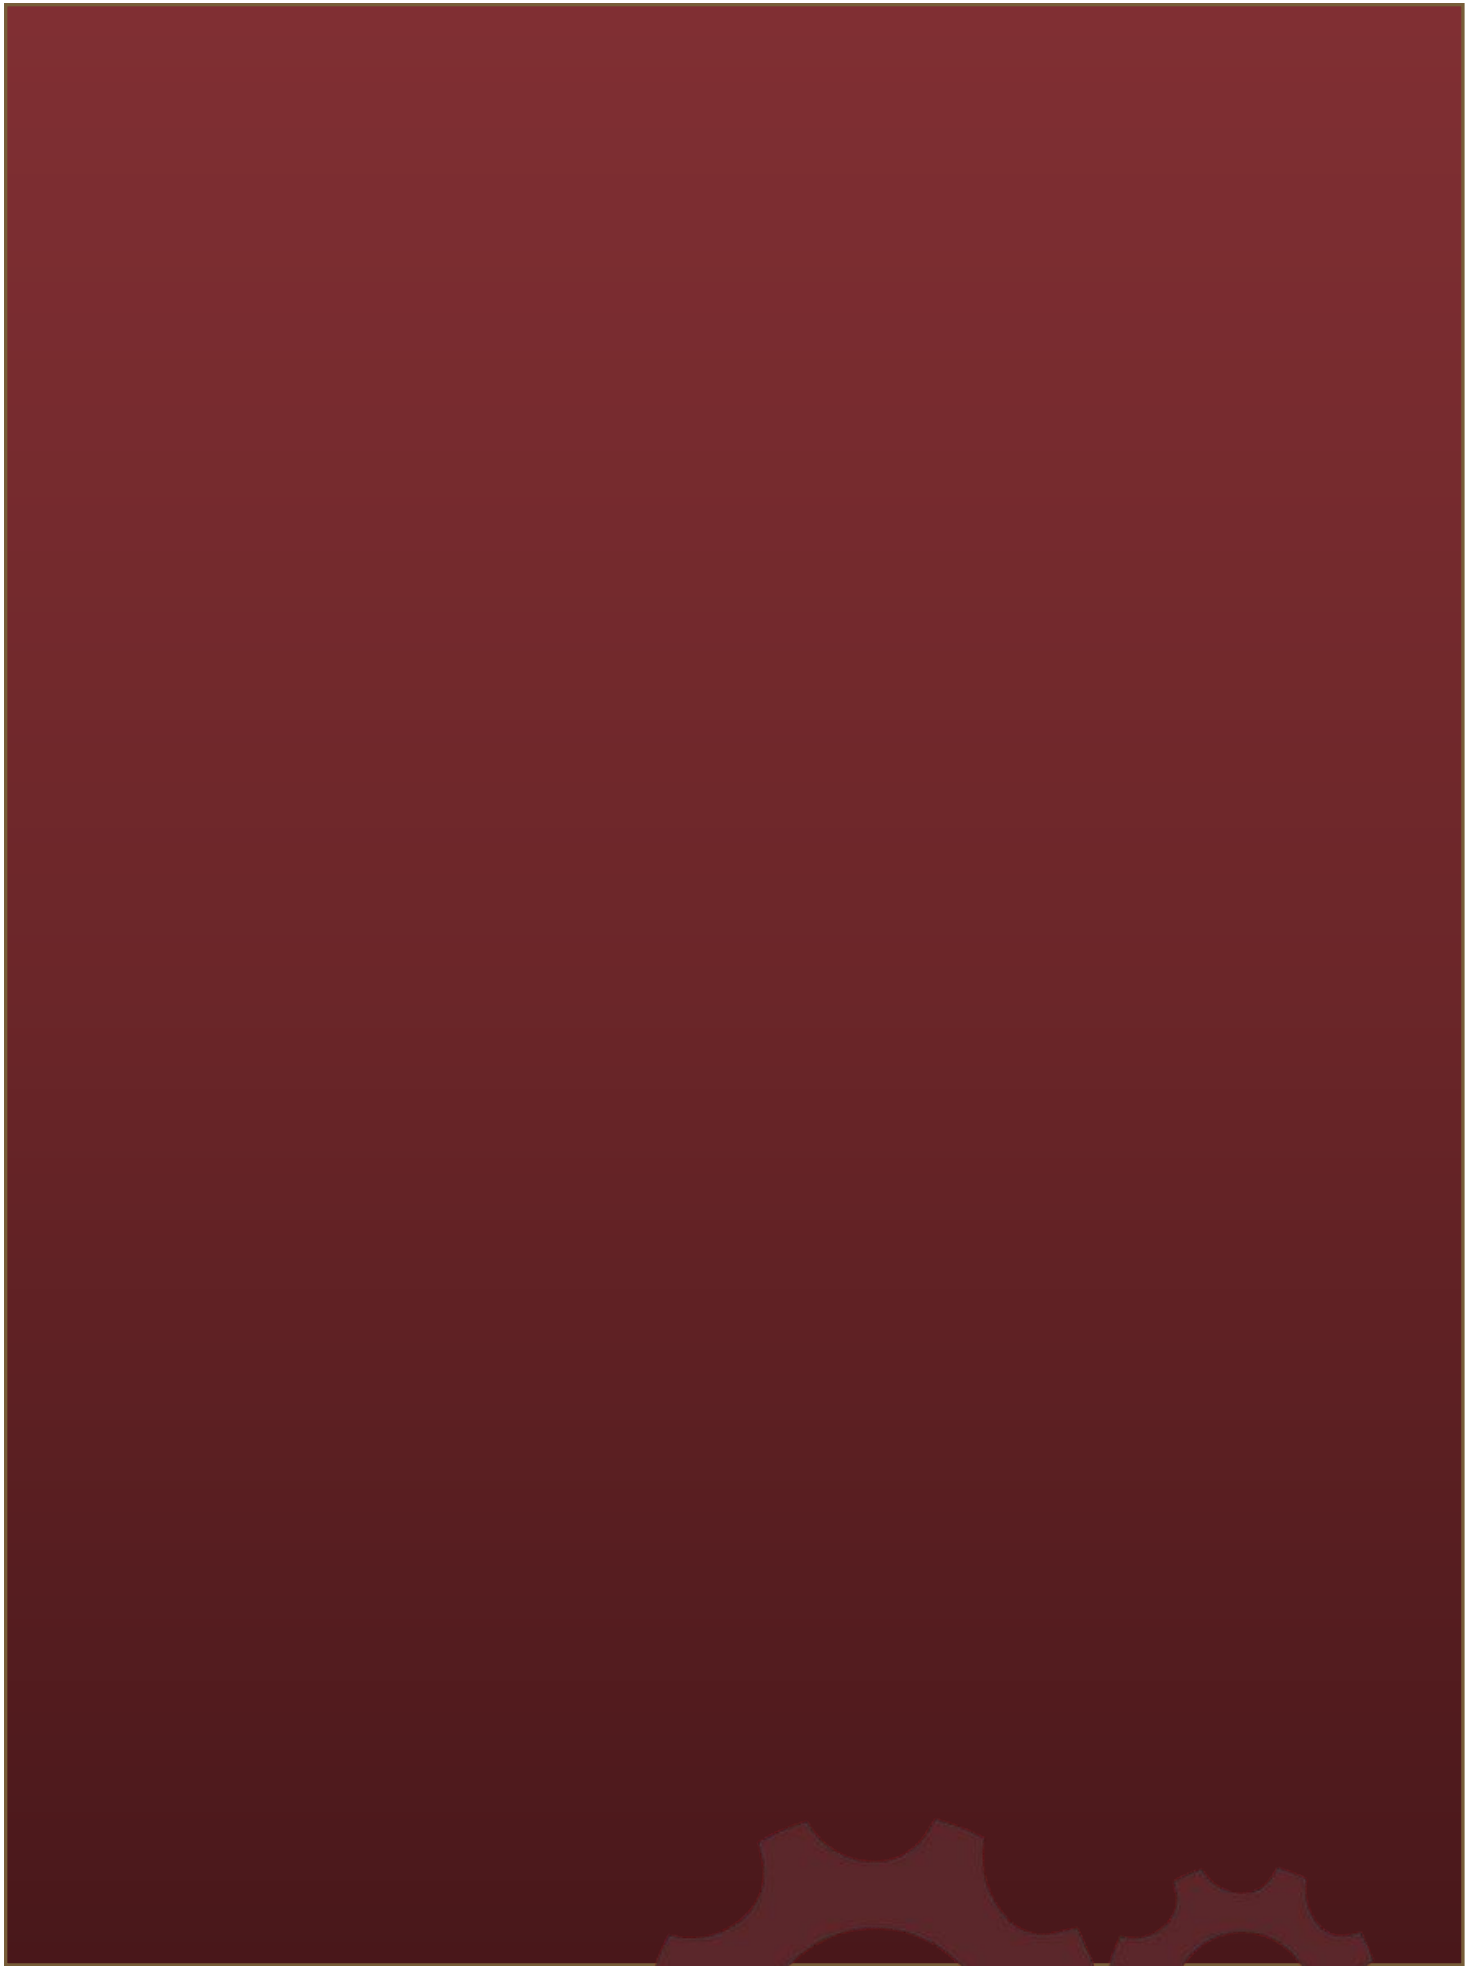

**Question 4**

Archives, reference libraries and museums are most likely to have primary source documents.

**Question 5**

**True**
